A Campaign for Free and Healthy School Lunch for All

## Where Is This Taking Place?

Free school lunch is now provided to students regardless of family income - at stand-alone 6th to 8th grade middle schools\* in NYC.

\*The program is not yet available at K-8, grade 6-12, and K-12 schools

## What Does Your Child Need To Do?

Nothing! But families should continue to provide income information so that their schools receive additional educational resources.
